After hearing what had happen to my husband I called 311 and was directed to a detective who gave me the phone number for the Independent Police Complaint Line and the complaint Number. Both the complaint officer and the detective spoke briefly with my husband and me.

At approximately 8:51 p.m. We received a call from Ms. Lyons Independent Police Complaint Line, after speaking with Jose and me, she instructed us to report to, 10 West 35<sup>th</sup> Street 12<sup>th</sup> floor at 9:00 a.m. Friday, November 4, 2011.

I further informed Ms. Lyons that after calming my husband down I interviewed him relative to what happen and the descriptions of the officers as best as he could remember.
